Useful information

Category : Ecotourism accommodation

Type : Ecolabel Européen

Description

Every house contains two small contiguos apartments decorated carefully in the colored tones suggestive of Caribbean. Each apartment is independents and has an attractive privative terrace.
At the floor, there’re the kitchen, the bathroom and two or three single beds. In the mezzanine, the room with double bed will wait for you and also a sitting room to relax you. Since September, 2014, a charming wooden hut “Ti Kaz Bwa” came to be added in the hotel for the nature lovers.
A “planteur” of welcome will be proposed or upon your arrival or during your stay. It is you who decide!
